Notes :

1 Not bad but bad flaws

2 I've been a big fan of Anne Emery's "Collins-Burke Mystery" series but I didn't like an earlier book where she took Monty & Brennan away from Nova Scotia & Cape Breton to Ireland so I'm not too eager to read this one @ \$9.99 for an eBook! Might read if it wins!

3 I can't wait 52 weeks on 2 copies to borrow this from the Ontario Library Service and I am not paying \$13.99 for an ebook by an author whose works I have never read. Might read if it wins!

4 Not the Best but still good

5 Romantic Suspense is not one of my favourite sub genres and I didn't want to start reading a new to me author with the final book of a three book series. Might read if it wins!
