

What the various marks mean -

I think the meaning of a “√” in any column except “To Read” is quite obvious.

In the “To Read” column -

- “√” Means that this is a book that I would like to read and I will if I have time before the Shortlist announcements on Apr 18 2019, and if not, at a later time.
- “√?” Means I think I might like it but I have probably read another book by this author that I didn't like too much so this one has a low priority and I will only read as a freebie or loaner Or I think I would like it but I can't find an eBook version.
- “?” Means I can't make up my mind but I might read it if it comes up as a freebie or a loaner.
